ADDENDUM #1

PROJECT: JLTC -- Building #4
Project No. - 06013480
Camp Williams
Draper, UT 84065

BID DATE: July 12, 2006

BID TIME: 3:00 p.m.

Please note and include the following items to the contract documents. The General Contractor shall be responsible to incorporate these changes into the Contract Documents and shall also be responsible to notify all sub-contractors of this addendum.

CONSTRUCTION DOCUMENTS:

1. SHEET C-102 Grading Plan:
 - 1.1. The rock for the rock retaining wall shown on this sheet and noted in detail 5/S504 will be provided by the Owner and brought to the site for installation by the Contractor.
 - 1.2. Provide asphalt, road base, and grading as needed to extend the asphalt from the new asphalt to the existing as shown on the attached sheet.
 - 1.3. The gate shown in the existing fence to accommodate the new road to the Basement will be provided and installed by the Owner. Contractor to coordinate with Owner so that grading and any other items need can be accomplished in a timely manor.
2. SHEET C-103 Civil Utility Plan:
 - 2.1. Sanitary Sewer Line: From the clean-out shown route the line to the second manhole shown, located at the near the corner of the chain-link fencing, instead of the manhole in the parking lot. This is to eliminate the trenching and repair work of the existing parking lot.
