10 October 2012

Date Approved:    10/10/12   

Agency: **Division of Wildlife Resources**

Project Name – Services: **Springville Fish Hatchery Uninterruptible Power Supply-Construction**

DFCM Project No.: **07146520**

DFCM Project Manager: **Bob Anderson**

**SELECTION COMMITTEE JUSTIFICATION STATEMENT**

The selection committee would like to express it's appreciation to all of the teams that proposed for services on the above references project. The selection committee selected **Power Innovations** based on the following detailed conclusion supporting the selection in accordance with the selection criteria:

**Design Proposal:**

Team presented clear and concise proposal as detailed in the RFP. Team was very versed in covering "critical and custom" work for this project. Batteries and battery cabinet storage system was a plus for operation and maintenance. Provided detailed information on UPS system to stay operational in the environmental conditions the hatchery filtration building presents.

**Schedule:**

Team committed to total project completion and commissioning well before the date of substantial completion as detailed in the RFP.

**DFCM Past Performance Rating: Project Management Approach:**

**This score is based on the average of ratings for previous projects as explained in the RFP.**

**Strength of Contractor's Team:**

Team showed strength in showing experience, knowledge and support of their UPS system(s). Also, very strong with supporting personnel and electrical installation detailed to this project.

**Project Management Approach:**

Team showed strength in meeting and exceeding the facility down-time for transfer of equipment. Was very detailed in presenting the critical path to execute.

**Cost:**

Team provided the best cost and value for this project and for the State of Utah.

**Proposal for periodic preventive maintenance check during the required one year warranty:**

Team offered the best preventive maintenance checks and service agreement in the best interest and operations of the hatchery and facilities personnel.
