### SELECTION COMMITTEE JUSTIFICATION STATEMENT

The selection committee would like to express it's appreciation to all of the teams that proposed for services on the above references project. **All proposing teams were qualified to provide the project's design services.** The selection committee selected **VCBO Architecture as the best value team** based on the following detailed conclusion supporting the selection in accordance with the selection criteria:

#### DFCM Past Performance Rating:

**This score is based on the average of ratings for previous projects as explained in the RFP.**

#### Strength of Team:

**VCBO Architecture was judged to have the strongest team by the selection committee. Their team included the same team members from prior courts projects that have been managed successfully. This team has in depth understanding of the courts masterplan and technology standards.**

#### Project Management Approach:

**VCBO Architecture was judged to have the best management approach by the selection committee. They effectively demonstrated how they would provide solutions to courtroom ADA requirements, building and site security, and courtroom egress. They effectively presented a design philosophy for the project that demonstrated an understanding of the site, and how the design would fit contextually into the community.**

#### Schedule:

**VCBO Architecture provided a detailed schedule that was judged to be adequate by the committee. There was sufficient detail to explain how the critical dates would be met.**

#### Specific Project Experience:

**The VCBO team was judged by the selection committee to have the best overall project specific experience. The team aptly demonstrated their ability to work within the context of the community and the guidelines of the courts in providing design services for this project.**
