Director

ADDENDUM #2

Date: January 28, 2010

To: Contractors

From: Mike Ambre, Project Manager, DFCM

Reference: NCAA Track and Field Facility
UVU – Orem, Utah
Project No. 09026790

Subject: **Addendum No. 2**

Pages	<u>Addendum</u>	1 page
	Total	1 page

Note: *This Addendum shall be included as part of the Contract Documents. Items in this Addendum apply to all drawings and specification sections whether referenced or not involving the portion of the work added, deleted, modified, or otherwise addressed in the Addendum. Acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject the Bidder to Disqualification.*

While we contend that SB220 should only be potentially applicable to a contract issued after the effective date of said bill, this is to clarify that for purposes of this contract, regardless of the execution or effective dates of this contract, the status of Utah Law and remedies available to the State of Utah and DFCM, as it relates to any matter referred to or affected by said SB220, shall be the Utah law in effect at the time of the issuance of this Addendum.

1.1 **SCHEDULE CHANGES** – There are no changes to the project schedule.

1.2 **GENERAL** – We have provided a technical specification regarding our requirements for the synthetic surfacing of the new UVU NCAA Track and issued this specification.

After our review of the available products for synthetic track surfacing we determine that three manufacturers/products meet our specification and are eligible for use on the new UVU NCAA track surface.

These three manufacturers are:

1. Tartan APS (www.tartan-aps.com)
2. Beynon Sports Surfaces (www.beynonports.com)
3. Polytan (www.polytan-usa.com)
