Agency: **DFCM**

Project Name – Services: **Various Agencies Solar Photovoltaic Projects**

DFCM Project No.: **13002300**

DFCM Project Manager: **John Harrington**

SELECTION COMMITTEE JUSTIFICATION STATEMENT

The selection committee would like to express its appreciation to all of the teams that proposed for services on the above referenced project. The selection committee selected **BacGen Solar Group** based on the following detailed conclusion supporting the selection in accordance with the selection criteria:

DFCM Past Performance Rating:

This score is based on the average of ratings for previous projects as explained in the RFP.

Strength of Team:

BacGen had a full suite of in house staff for all specialized services related to this project-Including legislative experience, transmission & interconnected law, finance, and legal.

Project Management Approach:

The management flow chart provided was comprehensive and addressed all aspects of the work included in the RFP.

Schedule:

The schedule was well thought out and took into consideration all factors and risks that could take place on our planned solar projects both on and off site.

Capabilities & Experience, Cost Matrix

Their experience and capabilities are extensive and all potential aspects of the RFP were addressed. BacGen proposed an effective and innovative cost matrix for moving ahead with this project. They have extensive experience in developing solar PV projects for public agencies.
