The front 15 feet of the room will be allocated for the presenting team.

4. Question: How will the Great Utah Shake Out impact the presentations?
 - a. Answer: The shakeout will occur during the Q&A portion of team #1's presentation. It will result in a brief interruption of the Q&A. We have been granted a workaround to remain in the room and will not participate in the building evacuation. In the spirit of fairness, time lost to this process will be added back into the end of the Q&A
