While we contend that SB220 should only be potentially applicable to a contract issued after the effective date of said bill, this is to clarify that for purposes of this contract, regardless of the execution or effective dates of this contract, the status of Utah Law and remedies available to the State of Utah and DFCM, as it relates to any matter referred to or affected by said SB220, shall be the Utah law in effect at the time of the issuance of this Addendum.

1.1 SCHEDULE CHANGES: There are no Project Schedule changes.

1.2 GENERAL ITEMS: Item 17. Pre-Qualification, page 9 shall be clarified as follows:
The maximum numbers listed shall be a guideline for each selection committee. In the case that the maximum number has been reached and tie score exists, the cut-off shall not eliminate any of those firms. Also, in the event that the maximum number has been reached, and a firm scores over 90 points, that firm shall be included on the list.
