# NOTICE TO ELEVATOR CONTRACTORS

The State of Utah - Division of Facilities Construction and Management (DFCM) is requesting a statement of qualifications for the following:

**STATEMENT OF QUALIFICATIONS FOR AN OPEN ENDED MULTI-STEP PRE-QUALIFIED BIDDING PROCESS FOR ELEVATOR CONTRACTORS FOR CAPITAL IMPROVEMENT PROJECTS (Projects with a construction cost of less than \$2,500,000)**

Pre-Qualification of Elevator Contractors will be based on the selection criteria outlined in the bidding documents contained herein. Stage I Pre-qualified elevator contractors will be invited to submit bids on Stage II Capital Improvement Projects as defined herein. Pre-qualified elevator contractors will NOT be required to bid on every project defined herein.

All elevator contractors responding to this procurement must comply with and require all of their subcontractors to comply with the license laws as required by the State of Utah.

The Stage I Pre-Qualified Bidding Process documents, including the qualification requirements and schedule, will be available at 2:00 PM on Friday, November 20, 2015 on the DFCM web page at <http://www.dfc.utah.gov>. For questions regarding this Stage I solicitation, please contact **Bob Anderson, DFCM, at 801-652-6754, [bobanderson@utah.gov](mailto:bobanderson@utah.gov)**. No others are to be contacted regarding this solicitation.

There will NOT be a **MANDATORY** pre-submittal meeting.

When bidding on each individual Stage II Open Ended Pre-qualified Bidding Project, Pre-Qualified Elevator Contractors will be required to submit a Bid Bond in the amount of five percent (5%) of the bid amount, made payable to the Division of Facilities Construction and Management on DFCM's Bid Bond Form. A Bid Bond must accompany each bid. Instructions for the Stage II will be in the invitations for bids for the individual project or projects. Any person or entity that is prequalified under this Stage I Request for Statement of Qualifications, must submit a new Statement of Qualifications complying with the criteria in the solicitation, or as this solicitation may be amended by DFCM, **no more than 18 months after the decision of being prequalified.**

This solicitation, including any amendments, may be issued every Six months by DFCM, in order that new vendors may submit statements of qualifications and be considered for being added to the prequalified list for the types of projects specified in this solicitation.

The Division of Facilities Construction & Management reserves the right to cancel or amend this solicitation, reject any or all submittals/bids or to waive any formality or technicality in any submittal/bid in the interest of the State.

## PROJECT DESCRIPTION AND PROCESS

DFCM is entering into an Open Ended Multi-Step Pre-Qualified Bidding Process for Elevator Contractors for DFCM Capital Improvement Projects (projects less than \$2.5 million dollars Utah Code 63A-104 (1) (b)). These projects are in various locations throughout the State of Utah. The projects shall include both state funded and non-state funded projects. Pre-Qualification of elevator contractors will be based on the selection criteria outlined in the solicitation documents contained herein. Stage I Pre-qualified elevator contractors will be invited to submit bids on Stage II Capital Improvement Projects as defined herein. The final elevator contractor selection will be based on the lowest responsive and responsible bid as provided in the bidding documents. Pre-qualified elevator contractors will NOT be required to bid on every project defined herein.

**Only elevator contractors listed on the DFCM website as “Open Ended Multi-Step Pre-Qualified Bidding Contractors” will be allowed to bid on Stage II projects.**

Pre-Qualified Elevator Contractors are ONLY authorized to bid on projects within the discipline for which they were originally pre-qualified. For example, a pre-qualified mechanical contractor is not authorized to bid on general contractor work unless they go through the process and are pre-qualified as a general contractor.

Individual elevator contractors or alliances between two or more elevator contractors are allowed in this process to form a team. However, one elevator contractor or entity MUST be declared as the lead entity representing the team. If the team is prequalified through this process, the state will only enter into contracts with the lead elevator contractor or entity. The lead elevator contractor or entity must be licensed by the State of Utah and comply with and require all of its subcontractors to comply with the license laws as required by the State of Utah.

Any person or entity that is prequalified under this Stage I Request for Statement of Qualifications, must submit a new Statement of Qualifications complying with the criteria in the solicitation, or as this solicitation may be amended by DFCM, **no more than 18 months after the decision of being prequalified This solicitation**, including any amendments, may be issued every six months by DFCM, in order that new vendors may submit statements of qualifications and be considered for being added to the prequalified list for the types of projects specified in this solicitation.

**Instructions for Stage II will be in the invitation for bids for the individual project or projects.**

# OPEN ENDED MULTI-STEP PRE-QUALIFIED BIDDING PROCESS

## Request for Statement of Qualifications

### FOR DFCM CAPITAL IMPROVEMENT ELEVATOR PROJECTS

The pre-qualification of elevator contractors will be based on the selection criteria outlined in this document.

#### 1. Open Ended Pre-Qualified Bidding Process Documents

The Open ended Pre-Qualified bidding process documents consist of all of the information contained in this solicitation and all documents listed in the Table of Contents. All said documents are incorporated in this document by reference.

#### 2. Availability of Documents

The open ended Pre-Qualified bidding process documents are available at DFCM web site at <http://www.dfc.utah.gov>.

#### 3. Contact Information

Except as authorized by the DFCM Representative or as otherwise stated in the open ended pre-qualified bidding process documents or the pre- submittal meeting, **communication during the open ended multi-step pre-qualified bidding process shall be directed SOLELY to the specified DFCM Representative, Bob Anderson at 801-652-6754.** No one else at the State is to be contacted regarding this process. In order to maintain the fair and equitable treatment of everyone, elevator contractors shall not unduly contact or offer gifts or gratuities to owners, users, or evaluation committee members in an effort to influence the evaluation process or in a manner that gives the appearance of influencing the evaluation process. This prohibition applies upon your being aware of this solicitation and extends through the award of a contract in Stage II for a particular project or projects. Failure to comply with this requirement may result in a disqualification from consideration under Stage I and/or Stage II or this process. Elevator contractors should be aware that the evaluation committee members will be required to certify that they have not been contacted by any of the elevator contractors in an attempt to influence the selection process.

#### 4. Requests for Information

All requests for information shall be e-mailed to:

Bob Anderson – Project Manager  
Division of Facilities Construction and Management  
Room 4110, State Office Building, Salt Lake City, Utah 84114  
E-mail: [bobanderson@utah.gov](mailto:bobanderson@utah.gov) Phone: 801-652-6754

#### 5. Schedule

The Schedule lists the important dates and times, including when submittals must be turned in by elevator contractors. Failure to meet any of the deadlines in the schedule will delay a contractor be placed on the open ended pre-qualified list or result in disqualification. **REMINDER** the solicitation is renewed every six months and pursuant to any requirements set forth in the period solicitation update request.

#### 6. Mandatory Pre-Submittal Meeting

There will **NOT** be a **Mandatory** pre-submittal meeting. Please contact Bob Anderson (801) 652-6754 or [bobanderson@utah.gov](mailto:bobanderson@utah.gov) with any question by the dated indicted on the project schedule.

7. **Submittal Due Dates and Times**

All required submittals must be delivered to, and received by, the Division of Facilities Construction and Management by the time deadline established in the Schedule. Submittals received after the specified time deadline will be held for review and if approved placed on the list 6 months later. Please allow adequate time for delivery, When submitting a statement of qualifications by physical delivery (US Mail, Courier Service, Hand Delivery or other means) you are solely responsible for meeting the deadlines. Delays caused by a delivery service or other physical means will not be an acceptable reason for a proposal or modification to a proposal being late. All proposals delivered by physical delivery will be date and time stamped by DFCM staff. To the extent that an error on the part of DFCM or an employee of the DFCM results in the proposal not to be received by the established date and time, it will be considered to be on time.

8. **Last Day to Submit Questions**

Questions must be submitted by email to Bob Anderson at DFCM by the deadline listed on the Schedule;

Bob Anderson, Project Manager  
Division of Facilities Construction and Management  
Room 4110, State Office Building, Salt Lake City, Utah 84114  
Email: [bobanderson@utah.gov](mailto:bobanderson@utah.gov)

9. **Addenda**

All clarifications will be in writing and issued as addenda to this solicitation. Addenda will be posted on DFCM's web site at <http://www.dfc.utah.gov>. Elevator contractors are responsible for obtaining information contained in the addenda from the web site. Any addenda issued prior to the submittal deadline shall become part of the open ended multi- step bidding process and any information required must be included in the elevator contractor's submittal. Addenda will be issued no later than **3:00 PM, on Wednesday, December 9, 2015** and each elevator contractor is responsible for checking the website at such time to make sure that the statement for qualifications complies with all addenda issued by DFCM.

10. **Bid Bond Requirements**

When bidding during Stage II of this process, all pre-qualified elevator contractors will be required to submit a bid bond in the amount of five percent (5%) of the bid amount made payable to the Division of Facilities Construction and Management on all bids. **The bid bond must be on the "Bid Bond Form" provided in this solicitation document in order to be considered an acceptable bid.** If the bid bond security is submitted on a form other than DFCM's required "Bid Bond Form" and the bid security meets all other legal requirements, the elevator contractor will be allowed to provide an acceptable bid bond by the close of business on the next business day following notification by DFCM of submission of a defective bid bond security. **A cashier's check cannot be used as a substitute for a bid bond.**

Any Entity responding to this solicitation must be capable of complying with these bid bond requirements or they will not be pre-qualified. Pre-qualified entities that fail to comply with the bid bond requirements during the bidding stage shall be removed from the pre-qualified list. As part of the criteria of this solicitation, the entity shall submit information to DFCM that indicates that the entity is capable of obtaining a bid bond for the type of work sought in the statement of qualifications.

## **11. Performance and References**

DFCM will rate each entities performance on every project worked on (rating scale: 1 = low; 5 = high). The rating may include comments from agencies. The entity will have an opportunity to review and comment on their ratings. Ratings on DFCM projects over the previous five years will be provided to the evaluation committee for their consideration in evaluating and scoring the past performance of each entity. If an entity has not completed at least three DFCM projects in the last five years, they shall provide by the time indicated on the Stage I Schedule, a list of references on all projects that are of the type being sought in the statement of qualifications, completed in the last three years:

- (a) name and address of the project
- (b) name and phone number of the person able to answer questions about the project
- (c) date when the work was completed
- (d) the total construction cost of the project
- (e) project type (school, office, warehouse, etc.)

## **12. Statement of Qualifications and Experience**

Statement of Qualifications and Experience should contain the following information:

The statement of qualifications and Experience is a concise document (no more than 20 pages). The general pre-qualification requirements submitted, being the experience and work history of the entity, qualifications of management staff and key individuals, and any other information that informs DFCM that the entity should be qualified for the work that is sought.

- (a) Indicate the experience and qualifications of the both the Entity, and their key individuals.
- (b) It should include information on type of projects that have been completed by the Entity, and their key individuals.
- (c) When listing projects include information to indicate the type of projects, dates, size and the responsibility of the key individuals on the projects.
- (d) Include the experience and special qualifications of the Entity that are applicable to this pre-qualification.
- (e) Include how Subcontractor and Vendors are selected and managed

- Total Points Possible 100**

**17. Pre-Qualification**

Entities approved by the evaluation committee for the particular pre-qualified category will be added to the DFCM's list of pre-qualified elevator contractors and will be invited to bid on the approved category of projects during Stage II.

During Stage II, the final elevator contractor selection for each project will be based on the lowest responsive and responsible bidder that meets the requirements of the Stage II solicitation documents. Each Stage II solicitation will be posted on the DFCM web-site and will be bid through an electronic bidding system.

The only elevator contractors allowed to bid on the projects listed as Stage II Open Ended Pre-Qualified Bidding Process will be elevator contractors that are pre-qualified in Stage I of this multi-step process for the particular prequalified elevator contractor. Pre- Qualified elevator contractors shall remain on DFCM's list of prequalified contractors for a period of 18 months unless the entity submits a new statement of qualifications and is prequalified under a new solicitation by DFCM, provided:

- (f) they receive a performance rating of 4.0 or greater on each DFCM project. If a rating less than 4.0 is received on any single project the contractor will be removed from the pre-qualified list and will not be eligible to re-apply for a minimum of 12 months.
- (g) they are not suspended for poor performance or failure to comply with the requirements of their contract
- (h) the entity has not undergone a significant reorganization involving the loss of key personnel (site superintendents, project managers, owners, etc.) to a degree such that the entity no longer meets the pre-qualification requirements outlined in this document
- (i) the financial viability of the entity has not significantly changed
- (j) the entity is not otherwise disqualified by DFCM

Pre-qualified elevator contractors are ONLY authorized to bid on projects within the discipline under which they were originally pre-qualified. For example, a pre-qualified mechanical contractor is not authorized to bid on general contractor work unless they go through the Stage I process and are pre-qualified by a selection committee as a general contractor.

**18. Additional applications periods for Statement of Qualifications, Renewals/Re-applications**

An Entity may submit a statement for qualifications in response to further issued requests for statements of qualifications issued by DFCM, which may be issued every six months. There may be updated requirements in the issued statement of qualifications. Any Entity applying for renewal must have attended at least three mandatory project pre-bid meetings during the expiring period. The Entity shall provide the date and project mandatory meeting they attended, along with all other required approval information. The Entity shall also be required to include the name and project number of at least one project the Entity has successfully received a contract for in the expiring period.

**19. Trade Secrets or Confidential Matters**

Any submitter may designate those portions of the submittals which contain trade secrets or other confidential matters that the Governmental Records and Access Management Act (GRAMA) would allow to be a protected record. Any disclosure of submittals or portions thereof shall be in accordance with GRAMA and State law.

## **STAGE II – OPEN ENDED MULTI-STEP PRE-QUALIFIED BIDDING PROCESS**

**Only entities on DFCM’s “Open Ended Pre-Qualified List” of Elevator Contractors are allowed to participate in Stage II**

### **1. Invitational Bid Procedures**

DFCM will notify each pre-qualified entity via BidSync ([www.bidsync.com](http://www.bidsync.com)) when a project is ready for construction services to invite them to bid on the project;

A description of the work and a set of plans/specifications will be available at <http://dfcm.utah.gov> with a link to Bidsync.

A schedule will be provided in the documents showing critical dates including site meetings (if mandatory), questions/answer period, addenda, bid submittal deadline, subcontractor list submittal, etc.

Entities failing to attend a pre-bid site meeting labeled “Mandatory” will not be allowed to bid on that project.

Pre-qualified elevator contractors shall remain on DFCM’s list of pre-qualified contractors provided:

- (a) they receive a performance rating of 4.0 or greater on each DFCM project. If a rating less than 4.0 is received on any single project the elevator contractor will be removed from the pre-qualified list and will not be eligible to re-apply for a minimum of 12 months.
- (b) they are not suspended for poor performance or failure to comply with the requirements of their contract
- (c) the entity has not undergone a significant reorganization involving the loss of key personnel (site superintendents, project managers, owners, etc.). to a degree such that the entity no longer meets the pre-qualification requirements outlined in this document
- (d) the financial viability of the entity has not significantly changed
- (e) the entity is not otherwise disqualified by DFCM

### **2. Award of Contract**

The State of Utah will enter into a contract with the entity submitting the lowest responsive and responsible bid meeting the requirements of the Stage II solicitation documents, provided the entity meets all other DFCM and state procurement requirements pertaining to the invitational bid process.

### **3. Contract and Bond**

The Elevator Contractor’s Agreement will be described in the Stage II solicitation document .The selected elevator contractor, simultaneously with the execution of the Elevator Contractor’s Agreement, will be required to furnish a performance bond and a payment bond, both bearing original signatures, upon the exact DFCM forms provided in the Stage II – open ended pre-approved bidding documents. The performance and payment bonds shall be for an amount equal to 100% of the contract sum and secured from a company that meets the requirements specified in the requisite forms. Any bonding requirements for subcontractors will be specified in the Stage II solicitation documents.

### **4. Licensure**

The elevator contractor shall comply with and require all of its subcontractors to comply with the license laws as required by the State of Utah.

**BID BOND**

(Title 63, Chapter 56, U. C. A. 1953, as Amended)

**KNOW ALL PERSONS BY THESE PRESENTS:**

That \_\_\_\_\_ hereinafter referred to as the "Principal," and \_\_\_\_\_, a corporation organized and existing under the laws of the State of \_\_\_\_\_, with its principal office in the City of \_\_\_\_\_ and authorized to transact business in this State and U.
