Note: *This Addendum shall be included as part of the Contract Documents. Items in this Addendum apply to all drawings and specification sections whether referenced or not involving the portion of the work added, deleted, modified, or otherwise addressed in the Addendum.*

1.1 SCHEDULE CHANGES: There are no Project Schedule changes.

1.2 GENERAL ITEMS:

Performance & References (page 7, number 11 of the RFP)

(This list should only include projects that your firm was the prime contractor on.)

DFCM will rate each entities performance on every project worked on as a **prime contractor** (rating scale: 1 = low; 5 = high). The rating may include comments from agencies. The entity will have an opportunity to review and comment on their ratings. Ratings on DFCM projects over the previous five years will be provided to the evaluation committee for their consideration in evaluating and scoring the past performance of each entity. If an entity has not completed at least three DFCM projects as a **prime contractor**, in the last five years, they shall provide by the time indicated on the Stage I Schedule, a list of references on all projects that were completed as a **prime contractor only**, and that are of the type being sought in the statement of qualifications, completed in the last three years:

- (a) name and address of the project and the owner
- (b) name and phone number of the person able to answer questions about the project
- (c) date when the work was completed
- (d) the total construction cost of the project
- (e) project type (school, office, warehouse, etc.)
